

## ANSWERS TO CLARIFICATION QUESTIONS

RFT: PWP-128-CON  
File: AP\_6/5/8/4  
Date: 17 March 2022  
To: Interested Contractors  
Contact: [pwp.procurement@sprep.org](mailto:pwp.procurement@sprep.org)

**Subject: PWP-128-CON Request for Tender: Remove and dispose of existing asbestos containing material (ACM) stockpiles at the NCR landfill and regional processing centre in Nauru.**

- 
1. Supply details of the location of the two sites – NCR and Regional processing centre stockpiles on the island
    - **Refer to the attached .pdf documents (NCR Landfill and Regional Processing Centre)**
  2. Supply current photographic details of the stockpiles at each specific site in order to assist with classification of the Asbestos containing material.
    - **Refer to the attached .pdf documents (NCR landfill and regional processing centre)**
  3. Supply details of the approximate cubic meter/tonnage quantities of the ACM at each site if possible
    - **Refer to the attached .pdf document (Nauru ACM audit volume estimates)**
  4. Supply details of transport/road ingress and egress to each stockpile site
    - **All locations are served by gravel/asphalt roads – refer to the attached documents.**
  5. Is it necessary that the tenderers financials be converted to USD?
    - **Yes, all elements of the financial proposal must be displayed in USD.**

6. Under Item 4 of the Scope of Works is it a requirement that Nauruan(s) be engaged as the abatement crew?
  - **Yes, this is a requirement, note there are many construction contractors and crews on-island.**
  
7. Are there any electrical/water/gas services that will be required to be isolated at either site to enable the works to be undertaken?
  - **No, these materials are in open stockpiles on the ground, or in sea containers. Refer to documents attached.**
  
8. Supply details of any owners and/or stakeholders adjacent to either stockpile site that may be affected by the removal process and who may require consultation with before commencement.
  - **Department of Multicultural Affairs (Regional Processing Centre: Flycamp)  
Nauru Rehabilitation Cooperation (NCR Landfill)**

**The point of contact for these consultations:**  
**Grace Garabwan**  
**Waste and Chemical Manager**  
**Department of Commerce Industry and Environment**  
**Nauru**  
**[grace.garabwan@gmail.com](mailto:grace.garabwan@gmail.com)**
  
9. Are power and water services available at each stockpile site for utilisation during the removal process and if so, are there any cost associated.
  - **Assume that power and water services will not be available at these locations.**
