

ANSWERS TO CLARIFICATION QUESTIONS

File: AP_6/5/8/4
Date: 25 November 2019
To: Interested suppliers
Contact: Siniva Tuuau-Enosa

Subject: Request for tenders: Technical Assistance for the PacWastePlus Programme

Q1. Send me a copy of the relevant terms and conditions of the project

Response:

[Attached contract template](#)

Q2. Can you please advise if SPREP are interested to receive responses from consultancy companies? Can Ricardo Australia PTY LTD respond and propose suitably qualified staff to cover the noted technical fields outlined in the RfT?

Response:

[This engagement would be best suited for individual, qualified consultants. We recommend that suitably qualified staff of Ricardo Australia PTY LTD complete a submission for all relevant technical fields](#)

Q3. If permissible should any additional information related to Ricardo Australia PTY LTD and contracting arrangements be included with our submission?

Response:

[All relevant information deemed necessary should be included in submissions, there is no limit to the amount of information an interested consultant can supply.](#)

Q4. Can you please advise if there will be instances where countries can engage a multi-disciplinary group of specialist to support with different aspects of the development of a project concept, for example project management specialist supported by specialists in organic waste and community engagement?

Response:

Countries can access any and all relevant specialists up to the maximum of 10hours.
